HEALING NEST FOUNDATION X BARCLAYS

### BARCLAYS CELEBRATES DIWALI WITH THE CHILDREN OF TITLI PROJECT

Barclays joined Healing Nest Foundation at Titli Project for a festive celebration with the children, creating space for shared experiences, meaningful interactions and the joy of celebrating together.

*A shared commitment to a more inclusive world.*

### FROM BARCLAY'S DESK

I have known Healing Nest Foundation and the work they do for some time, but this visit was special as I got to take my team along. We collected stationery from our colleagues and spent some time with the children. While we went there to contribute, my team came back with a lot more from the experience. It was new, meaningful and humbling for them. Sometimes, the best part of giving is simply spending time and connecting with others. Thank you to the Healing Nest team for making this visit special.

SARVDEEP, BARCLAYS

### FROM DIRECTOR'S DESK

Our partnership with Barclays reflects the power of coming together to create meaningful change. Together, we celebrate inclusion, nurture potential, and build brighter futures.
